The Money Answers Show Monday at 12 Noon Pacific March 11th 2013: The Right Way to Diversify Your Portfolio

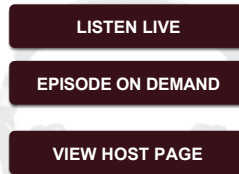

While the traditional Wall Street model of diversification is to have stocks, bonds, mutual funds and annuities in your portfolio, Jason Vanclef believes that you need a much broader diversification of assets to earn higher returns and reduce risk. In this interview he explains his Wealth Code Asset Class Diversification model which he describes in his new book *The Wealth Code 2.0*. Other assets that he recommends include real estate, oil and gas, equipment leasing, private equity and precious metals. In this interview he will discuss the pros and cons of each asset and how to assemble a prop

Jason Vanclef

Jason Vanclef attended Cal Poly, San Luis Obispo, earning a B.S. in Biological Chemistry. Over the years, Jason has felt that this degree taught him to think "outside the box" versus traditional degrees in Business or Finance. Jason created Vanclef Financial Group, Inc., a Los Angeles based comprehensive financial services practice, offering planning services to a wide range of individuals and small businesses. For over a decade, he has developed extensive experience in asset preservation, retirement and estate planning strategies. Jason is a Series 24 (General Securities Principal), Series 7 (General Securities Representative) and Series 66 (Investment Advisor Representative) licensed fi
