Moir's Environmental Dialogues
Thursdays at 12 Noon Pacific
April 04th 2013: Tarpon, Magnificent Silver Kings of Boca Grande and a Conversation on Conservation

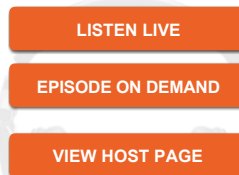

Lew Hastings executive director of the Boca Grande Chamber of Commerce tells of a most remarkable fish the tarpon. The World's Richest Tarpon Tournament promotes conservation through education. It is all about protecting the tarpon and a sustainable fishery. In this tournament tarpon bite baited hooks, are drawn swiftly to boats where an observer records the catch with fish in the water. Tarpon is quickly released with minimum disturbance of the fish's energy reserves. Tarpon energy demands are so high that they gulp air "rolling" at the surface. This magnificent 2 meter fish is inedible. Henc
