April 09th 2013: Indigenous healing systems and their similarities and differences to Chinese medicine

On this episode of Holistic Healing with Herbs and Chinese Medicine, we will be discussing traditional healing systems. We will present a summary of an interview Andres conducted with Isaias Ramon, a shaman and healer from the Vetoto Amazonian tribe in Colombia. We will explore some of the cosmology of the Vetoto tribe, the underpinning theories of Isaias' medicinal work, the history of the Vetoto tribe and its culture, as well as Isaias' personal story. We will also compare these theories with those of Chinese medicine and other ancient forms of medicine, noting the similarities and key diff

Isaias Ramon

Isaias Ramon is a shaman from the Vetoto tribe, located in Colombia's Amazon region. He was trained by his parents and grandparents to be a shaman and healer for his tribe. He speaks 4 Amazonian languages, as well as spanish. In his tribe he healed dermatological conditions, digestive issues, respiratory conditions, and ulcers. Now working in the Colombian capital of Bogota, he works with conditions like infertility and cardiac problems.
