April 8th 2013: High-Risk Responses to High-Risk Behaviors in Mental Illness

Dr. Chris Summerville, CEO, www.schizophrenia.ca, shares his personal story and describes his work. He explains high-risk behaviors in schizophrenia and mental illnesses generally, and high-risk responses to high-risk behaviors associated with mental illnesses. He discusses the challenges that high-risk responses create for people with mental illnesses who become involved with law enforcement and healthcare systems, and for their family caregivers. He discusses overcoming the challenges created by high-risk responses for people with mental illnesses who become involved with law enforcement and
