**April 19th 2013: Autism...now what? Living a
Quality Life**

Imagine your child being diagnosed with a perplexing disorder. Then imagine seeking treatment and finding only a few experienced doctors...and they all disagree on the recommended treatment! This was what one mother experienced, when her 3 year old son was diagnosed with Autism. Looking for help in the healthcare field, it was her son who had the answers. Tune in as Patricia Smith tells about her heart wrenching journey that ends in a miracle.
