**April 4th 2013: Let's Celebrate National Humor Month**

April is National Humor month and Steve Wilson joins with us to kick off our celebration of humor. Humor month starts with April Fool's Day when practical jokes are "the thing of the day" and continues with smiles, laughs, giggles and maybe even guffaws throughout the month. We will be talking about the physiology of humor and why it can be "the best" self improvement tool as well as the best medicine. Consider how can you use humor to your best advantage whether you're in health care, education, mechanics, rocket science, broadcasting or whatever it is that you do. If you are a parent you need
