Do you have an important message to share with the world? Are you seeking a way to communicate that message with a passion you know will inspire others? If finding your voice is essential for getting to the next level in your life and career, then this show is for you. Join me as I welcome VoiceAmerica Senior Executive Producers Randall Libero and Nathan Jett who have helped many hosts create inspiring and successful shows. We'll discuss what it takes to become a successful talk radio personality and how a radio show is developed, launched and managed. Nathan and Randall will share the evaluat

Nathan Jett

Nathan Jett is an accomplished media consultant with a Bachelors degree in Business Administration/Management and has over two decades of media and marketing experience. As a hard working professional, Nathan is recognized as a leader in the organizations he has served. Having a persuasive personality and strong work ethic has led to his success in Sales, Marketing, and Business Development. Nathan attributes his success to taking the time to listen and communicate effectively in order to establish and achieve project objectives that ultimately serve to benefit his clients. Nathan is highly analytical, believing in reason and accountability in the work he does and the people he works with. N
