May 22nd 2013: Bad Bosses and Workplace Bullies: The Rising Problem at the Workplace?

In these tough economic times with downsizing, furloughs and layoffs, workplace bullying is on the rise. Beyond the childhood memories at the school yard bullying, workplace bullying is alive and well in American companies. Workplace bullying has a rich history in American culture and corporations. It has now gained national attention. Workplace bullying can have severe consequences on the productivity, victims and the organization. Unfortunately for victims, workplace bullying is nearly lawsuit-proof and very difficult to prove in court. Why does workplace bullying happen in organi
