May 23rd 2013: Dr. Annie Kagan, The Afterlife of Billy Fingers: How My Bad Boy Brother Proved to Me There is Life After Death

When her brother Billy died unexpectedly and began speaking to her from the afterlife, Annie agreed to accompany him on his journey through the mysteries of death. As Billy reaches from the "other side" to change his sister's life and the lives of those around her, he shares secrets about the bliss and wonder to come in the afterlife. One of the most detailed after-death communications ever recorded, The Afterlife of Billy Fingers takes you on an unprecedented journey into the mysteries of life beyond death.

Annie Kagan

Annie Kagan began writing songs at the age of 14 and at 15 she was signed by Columbia Records. At 16, she was performing in New York City cafes and clubs. After 10 years, Annie returned to college and became a Doctor of Chiropractic. Attracted to Eastern spiritual traditions, Annie studied yoga and pursued an intense meditation practice. Following her inner voice, she left her career as a doctor and her hectic city life in search of serenity. She returned to songwriting and joined a writer's workshop. While writing her first novel, her brother Billy died unexpectedly and began speaking to her from the afterlife. She is excited to bring together her talents as a lyricist, performer and h
