I Don't Want to be FAT! Archives Available May 24th 2013: Life Goes on

Planning for our financial future is a lot easier than planning weather or not we will live long enough to enjoy the fruits of our labor. But of course no one wants to think about health because without money what use is good health. However, do not be deceived, investing in you should be your biggest priority. The problem is time. Work has become so demanding that we just cannot juggle everything in our lives enough to make time to have time. Besides there is always tomorrow, right? Do not be deceived, age is not for wimps and not being prepared to be old is the costliest mistake you will eve
