Today's job market is highly competitive and merciless. Resume fraud is becoming a serious problem. Many human resources directors are seeing this type of behavior from job applicants in astounding numbers. Resume fraud is the new white collar crime. In the competitive job marketing, we are witnessing a considerable number of resume fraud incidents. The cost of resume fraud for corporations is extensive and can have serious repercussions. Unfortunately for victims, workplace bullying is nearly lawsuit-proof and very difficult to prove in court. What is resume fraud? How is resume fra
