June 5th 2013: Multilevel Marketing (aka Network Marketing): Is this a Good Business to Be In?

This show will discuss the controversial business of multilevel marketing. MLM is also known as “network marketing,” is a business model based on a pyramid structure. MLM is network of distributors that sell retail products through nontraditional distribution systems. MLM’s foundation is built on recruitment. Many individuals that get involved with MLM either lose money or never make money. Unfortunately MLM seduces individuals with a dream of owning their own business. The reality is very much different. Many MLM companies have been some of the most prosecuted businesses in federal and sta
