June 12th 2013: Imagining Learning

Charles Kouns will discuss Imagining Learning which is an intergenerational community of people seeking to introduce a spirit of transformation into education through the wisdom and voices of young people. There is an innate wisdom they possess about the educational process that combined with their creativity and passion for changing their education, makes them a powerful resource in the search for new answers. To do this, Imagining Learning is leading Listening Sessions around the United States with teens, ages 13–19, from all walks of life. A Listening Session has been designed to be appreci
