Wednesday at 4 PM Pacific
January 20th 2006: Thomas Lowry, MD: For Mature Audiences Only

Unlike the soldiers themselves, author Thomas Lowry, MD, is happy to discuss The Story the Soldiers Wouldn't Tell: Sex in the Civil War. Most CWTR programs unavoidably make reference to the massive bloodshed that marked the Civil War. This program discusses not only violence but also sex, using plain language. Educators and parents may wish to preview this show before recommending it to students or children.
