October 14th 2010: Moonlight Memoirs, Health and Technology

Teenage author, Maggie Mei Lewis shares her beautifully written and illustrated book for children, Moonlight Memoirs, where she takes us on a journey of forever. Through her conversation with her animal friends, we learn that love is forever and that we never have to say goodbye. This is an engaging and comforting book to help young ones learn about death. What happens when are bottoms are plunged into prolonged parking mode? In the past 50 years the average person has gained 24 pounds. Are we facing a death sentence from obesity? How do we get up and get moving to maintain a healthy we
