October 06th 2008: "Overcoming Hunger, Disease and Poverty... with Water"

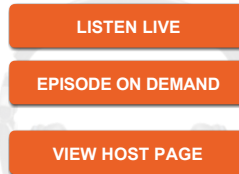

Ted Kuepper, REM (Oxnard, CA), Executive Director of Global Water, a non-profit international humanitarian organization, discusses Global Water's mission to create safe water supplies, sanitation facilities and related health programs for rural villagers in developing countries. Founded in 1982, Global Water's strategy is to provide permanent solutions to a region's water needs by providing appropriate equipment to secure, purify, and store water for domestic and agricultural purposes, as well as drill new water wells.
