November 24th 2008: "How the Current Economy is Affecting Retirement Nest Eggs"

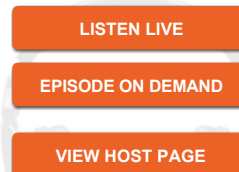

Nancy Coleman (Grants Pass, OR), management consultant and wellness trainer, discusses how the current economy is affecting retirement nest eggs. As the financial markets have ravaged retirees' savings and investments, many are deferring retirement for years if not decades. Second guest, Paul Henderson (Moab, UT), Chief of Interpretation and Visitor Services with Canyonlands/Arches National Park, discusses Canyonlands, a colorful landscape eroded by the Colorado River and its tributaries into countless canyons, mesas and buttes. This "high desert" park is divided into four districts of p
