The Self Improvement Show Archives Available July 12th 2012: Jessie Snyder

Jessie Snyder has a story to tell – a story of great love and remarkable courage. In 1987 she was infected with the HIV virus after receiving a blood transfusion during a surgery to repair a broken neck. She was only 14 years-old and about to give birth to her first child. After passing HIV to her daughter through birth, she decided she wanted to share her stories to inspire others and to make a difference. A talented and inspirational writer, she tells her story and the story of her daughter who died of AIDS at the age of 12. She has written two books "Sleeping with the Angels-A Story of Courag
