June 19th 2013: CLEARING UP THE CONFUSION

Gavin and his guests clear up the confusion about several emerging and frontier markets and the growth estimates that we hear. He'll have Richard Gula, President of Argyle Investment Consulting and Argyle Trading Systems for a detailed look at Argentina which lost its developed nation status and its future. With economics professor emeritus and United Nations Commission member Atif Kubursi he'll look at Egypt and what it would take to run it around. Then he'll get an update on the demographics of Vietnam and their importance for investors from financial advisor and researcher Peter Merrick. He
