Dr. Eric Pearl

They say your life can change overnight. That was certainly true for Dr. Eric Pearl. "One day I was a chiropractor and the next day I was something else," says Eric. Overnight, Eric had found the ability to connect with energy and work with it to heal people. Today, this is known worldwide as Reconnective Healing®. Recognized and supported by science, Reconnective Healing facilitates healings that are often instantaneous and can last a lifetime. Eric is the founder of The Reconnection, and has trained nearly 100,000 people in over 100 countries. His hope is that everyone will learn to access this natural ability and use it to heal themselves and others. Eric has been featured in The Dr. Oz Show
