July 2nd 2013: Continuous Contact for Intercontinental Family Caregiving

Zakir Hussain is Founder, Chairman, President and CEO of www.velomobilehealth.com, Velo Mobile Health. He talks about his personal story, his work as the CEO of VeloSolutions, and the work of Velo Mobile Health and why he created it. He describes long-distance family caregivers in multicultural communities and the most challenging of the communications challenges they experience. He describes the communications and cultural challenges for medical doctors in helping long-distance family caregivers. He describes services provided or planned by Velo Mobile Health to help long-distance caring espe
