### Mental Health with Dr. Surita Rao Thursday at 6 AM Pacific

**June 27th 2013: Integrative and holistic approaches to child psychiatry**

This weeks' show will discuss incorporating alternative and integrative medicine techniques into the mainstream allopathic based psychiatric care of children with mental illness. There are many helpful diet, lifestyle and nutraceutical remedies that can help child and adolescent patients dealing with behavioral health issues. Dr. Trace Krasnow, a child psychiatrist with an unique background and interest in integrative medicine will be a guest on the show to discuss a holistic approach to the care of children with behavioral health issues.
