My guests, Lee Combs and Chris Dillard formed T.O.O.L.S, Temple of Objective Life Studies formed in 1993 and is an uncharted Rosicrucian Orthder Mystery School dedicated to educational reform and spiritual awareness. It has been written that all the my ths and fables throughout history have been written to reveal the Hermetic way. Like the human mind, the English language is framed in mirrors capable of allowing us to simulate a ourney through space-time. We will take a journey through these mirrors as we discover that there is nothing new under the sun nor anything hidden that is not being ma

**Lee Combs**

Lee Combs and Chris Dillard have used encyclopedias, dictionaries, the history of literary arts and reference works combined with information from the lucid dream state to see the interrelationship between things and how the connectedness of these things reveals a larger picture that gives us more understanding of things that seem obscure and disconnected. They have Facebook pages, Lee Combs and Chris Dillard.
