July 08th 2013: Monetary and Fiscal Policy Causes of Economic Calamity Poised to Strike America

Our guest today, Bill Frezza, is a Fellow in Technology and Entrepreneurship at the Competitive Enterprise Institute and a contributing columnist for Forbes.com, the Huffington Post, and Bio-IT World. We will focus on an examination of the monetary and fiscal policy causes of the economic calamity that is poised to strike America. This calamity, in Bill's view, will be a massive (50%?) stock and bond market correction followed by another round of bank bailouts, hyperinflation, a breakdown of middle class entitlements, a wave of municipal bankruptcies, the collapse of many defined benefit pensi
