**July 16th 2013: Treatment for Painful Pus-Discharging Lumps under the Skin**

Dr. Fred Kahn, a surgeon, is the founder of Meditech International Inc., the developer of the [www.bioflexlaser.com](http://www.bioflexlaser.com). Julie DiNardo, founder of the [www.gleamsmile.ca](http://www.gleamsmile.ca), Gleam Smile Centre an independent dental hygiene office, is the mother of a young woman with a painful pus-discharging skin disease. They share their personal stories and discuss painful pus-discharging skin diseases. They explain a particularly troublesome skin condition, hidradenitis suppurativa, that produces painful pus-discharging lumps under the skin, and the effects, challenges and consequences it creates for the people who

#### Dr. Fred Kahn

Dr. Fred Kahn, MD, FRCS(C), is a Diplomate of the American Board of Surgery. For 18 years prior to initiating research in the field of Low Intensity Laser Therapy, he conducted an extensive surgical practice in Southern California and for 8 years served as Chief of Staff at a major hospital in Santa Ana, California. In 1989, he founded Meditech International Inc., which developed the BioFlex Series of Laser Therapy Systems, [www.bioflexlaser.com](http://www.bioflexlaser.com). With basic research, scientific knowledge and clinical expertise, it developed protocols for numerous medical conditions including soft tissue and sports injuries, arthritis, back problems, wounds and many dermatolo

#### Julie DiNardo

Julie DiNardo is a dental hygienist with an independent dental hygiene office, Gleam Smile Centre, [www.gleamsmile.ca](http://www.gleamsmile.ca), in Hamilton, Ontario. She's a founding member of the American Academy of Oral Systemic Health and a member of the Canadian Dental Hygiene Association. She provides oral cancer awareness days in her office and works collaboratively with the local cancer treatment centre. She's founder of a charity called Woolies for New B's, which provides essentials for the less fortunate and their babies. She and her husband, with their four children, have been foster parents to many children.
