July 30th 2013: Internet Affairs

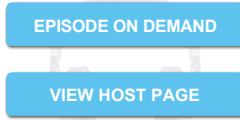

In this hour, Lisa will be discussing the prevalence of Internet infidelities and the impact they have on relationships. We will explore the things that make it easier for people to gravitate towards on-line intimate chat rooms and other cyber-sex activities. We'll talk about the "culture" of the Internet and how it invites and supports infidelities, enabling users to rationalize that they are not really "cheating" on their partners. We'll look at the role that anonymity plays in encouraging and supporting ongoing Internet affairs. Lisa will also describe how people who excessively engage
