### BEING Outside the Box Archives Available

**July 18th 2013: Special Encore Presentation: Access  
Consciousness – You CAN change your life!**

Today's show will be a fascinating look at vibrations through Consciousness. We have discussed in previous shows how every thought, feeling and emotion has an scientifically-proven impact on you and your body. We will talk about using the basic tools of Access Consciousness to raise awareness and unwind the patterns that keep you from creating the life you really desire. Did you realize that most of the thoughts, feelings and emotions you experience each day are not even yours? Do you recognize the Infinite Being that you truly be? What could you choose differently to create and generate

### Featured Guest

#### Gary Douglas

Founder of Access Consciousness, best-selling author, international speaker, and a sought-after facilitator, Gary Douglas is known for his intensity of awareness and his incredible capacity to facilitate people to 'know what they know'. He chooses to embody consciousness in everything that he does which inspires others to choose to become more conscious as a result. Gary has become an internationally recognized thought leader in transforming lives and creating different choices – willing to empower people to see different possibilities and to recognize what is truly possible for them. Gary is acknowledged worldwide for his unique perspectives on personal transformation that is unlike anyth
