September 18th 2013: The Power of Music to Heal, Uplift, and Soothe Our Souls

New thought musicians, Sharon and Shelly, share their story of spiritual transformation and two songs from their newest CD, *In the Spirit* (available Sept 2013), to suggest a positive way to live. Coming from two different backgrounds, these artists found common ground writing and performing music that matters. The featured songs--Walking in the Spirit and Calm and Clear--deal with suffering, death, faith, mystical understanding, affirmations, miracles, loving kindness, gratitude and determination. Visit Sharon and Shelly to learn more.
