Our Wild World Monday at 8 AM Pacific

July 22nd 2013: Special Encore Presentation: We Are the Ancestors of Our Future

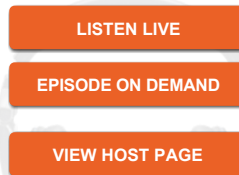

So many critical efforts are happening right now! The CITES meeting in Bangkok, Thailand may well decide the future for elephants and rhinos around the world. The US Wildlife Services are under fire for unethical killing of our wildlife- both endangered and non-targeted species. The USFW is working hard to keep up with the Environmental Protection Act and government policies, and we are facing global biodiversity tipping points everywhere we look. Our policies and politics and our everyday choices do make a difference, both here at home and around the world. Despite all this, there is Hope, a
