PI's Declassified!
Thursday at 9 AM Pacific
August 22nd 2013:Where is Dottie Caylor?

Dottie Caylor disappeared in 1985. Her husband, Jule Caylor, still a person of interest, claimed he put her on the BART train. Dottie's car with her purse was found in the BART Parking Lot. Dottie suffered from agoraphobia and her purse was the method she used to cope with her disability by always carrying items she needed such as the bee sting kit she used for her bee sting allergy. Five days later, a time unaccounted for by Jule, he reported Dottie missing after pressure from Dottie's sister and friends. She has not been seen since.
