Explorations in Consciousness with Dr. Joe Archives Available
August 27th 2013: Children's Past Lives: An Interview with Carol Bowman

In this episode, Dr. Joe will ask Carol Bowman, M.S., to discuss her fascinating and paradigm busting research on children's past lives. Stimulated by the voluminous, pioneering work on this topic by Dr. Ian Stevenson at the University of Virginia, Carol furthered his research in her first book in 1997, Children's Past Lives. In that book, she describes how she came to believe in her own children's accounts of past lives and gives guidance to parents about the nature of this phenomenon and how to respond appropriately to the past life disclosures of their children. Her second book published
