[VIEW HOST PAGE](#)

Randi Jensen is the Director of The Soldiers Project Northwest. She is a Licensed Mental Health Counselor and Certified Chemical Dependency Counselor in the State of Washington for many years. She maintains a private counseling practice in Shoreline, Washington, near Seattle, where she specializes in providing an encouraging, motivational, and hopeful atmosphere for those dealing with the devastation created by substance abuse and military trauma. We also have with us, Dr. George Patrin MD, an Army Pediatrician, talks on deployment separation anxiety and suicide prevention/postvention after t

**Randi Jensen**

Randi Jensen is a licensed mental health and certified chemical dependency counselor with a private counseling practice in Seattle, WA, where she specializes in the treatment of suicidality. She originated the Jensen Suicide Prevention Peer Protocol(c) (the JSP3 (c)) and has written a book ("Just Because You're Suicidal Doesn't Mean You're Crazy: The Psychobiology of Suicide"). She is also a contributing author with a chapter on "Military Suicidality" in the 2012 book "Trauma and its Wake". As Director of The Soldiers Project Washington, she treats post-traumatic stress, sexual trauma, moral injury and suicidality.
