September 26th 2013: And The Next Big Thing Is????

Digital innovation happens at such lightening speed that in order to stay current you have to try to imagine the future today. In the past sixteen years, the internet has become a new space with its own culture, rules, taboos, and possibilities. This has challenged the traditional way of doing everything, and makes us wonder, WHAT IS The NEXT BIG THING? Today on Breaking Banks, Brett King is speaking with Scott Bales, the global leader on Innovation, Trends, Design and Mobility, and Chris Abraham, a leading global expert in digital, including digital PR, social media marketing, and Int
