October 09th 2013: Dealing with Addiction and Chronic Pain

Pain is a natural part of life and inextricably entwined in addiction. For some people severe pain contributes to the development of addiction, while others experience chronic pain subsequent to an addiction. In either case, recovery can be an extreme challenge with chronic pain. As a national expert, Dr. Mel Pohl of Las Vegas Recovery Center discusses how to provide hope and recovery for those with addiction and chronic pain.
