October 2nd 2013: Alligators In The Swamp: The Hidden Dangers Lurking In Your Email (And Elsewhere) And What To Do About 'Em.

One of the greatest threats facing businesses and organizations today is not robbery, not burglary, not workplace violence or random terrorism – it's electronic theft or damage from hackers, malware and even unscrupulous competitors. Today, Brad Wohlander, CEO of Sentry Network Services, talk about some of the ways that these would-be evil-doers misrepresent, misstate and mislead, all designed to extract information – and hard-earned dollars – from anyone foolhardy enough, or gullible enough, to be hoodwinked. And we'll address some ways in which you can protect yourself, and your organization
