October 23rd 2013: Compliance: Focus on Anti-Bribery/Anti-Corruption – Part 2

Today's buzz: Bribery and corruption are alive and well. The global economy continues to bring great opportunities and great risks. Wherever you do business, do you have measures in place to detect and thwart clever bribery and corruption fraud schemes, especially those cooked-up by trusted staff or consultants? Perhaps technology can help. The experts speak. Thomas Fox, attorney, independent consultant: "GlaxoSmithKline (GSK) in China will be a complete game-changer in bribery and corruption enforcement across the globe." Vincent Walden, Ernst & Young: "Parkinson's Law: Work expands so
