October 23rd 2013: META-Health: The missing link between health and disease Part 3

Join Jon Robson and his guest Johannes Fisslinger on the continued journey sharing with you the revolutionary new healing paradigm called META-Health. META-Health is an integrative model of healthcare that looks at the mind, body and social aspects of you as a whole person. It is based on Integrative Medicine and Prevention and will assist you to understand the Art and Science of Self-Healing. In this show we will delve deeper into the understanding of the true root causes of illness. Find out about the Organ-Stress-Emotion-Belief-Social Connection and the major Points and Phases of Healing.
