October 23rd 2013: Evolutionary Education: Whole Person Learning

Evolutionary Education what is it? Why do we need it? How is this education different? Dr. Doug Capogrossi, Akamai University President and Dr. Mary Jo Bulbrook, Director of Complementary Therapies will describe some exciting opportunities offered through AU. Whole Person Learning will be illustrated by Leslie Whitcomb who has an innovative model of education based on her years of study, interest and research in applied ecopsychology. Dr. Christina Ross research is on the cutting edge of medical science conducted at Wake Forest Institute for Regenerative Medicine. Her research investigate
