Family Caregivers Unite! Archives Available

**October 28th 2013: What Family Caregivers Should Know
About Online Privacy Risks for Young People**

Dr. Alessandro Acquisti is an associate professor at the Heinz College, Carnegie Mellon University (CMU) and the co-director of CMU Center for Behavioral and Decision Research, <http://www.heinz.cmu.edu/~acquisti/>. He talks about his career, personal life, and research relating to online privacy risks. He explains precautions he takes to protect himself against these risks, other precautions, and young people's reactions to online privacy risks. He explains the ways in which the online privacy of young people is abused, how young people can reasonably be expected to take online privacy serious!

Dr. Alessandro Acquisti

Dr. Alessandro Acquisti is an associate professor at the Heinz College, Carnegie Mellon University (CMU) and the co-director of CMU Center for Behavioral and Decision Research, <http://www.heinz.cmu.edu/~acquisti/>. He investigates the economics of privacy. His studies spearheaded the application of behavioral economics to the analysis of privacy and information security decision-making, and the analysis of privacy and disclosure behavior in online social networks. He's been the recipient of the PET Award for Outstanding Research in Privacy Enhancing Technologies, the IBM Best Academic Privacy Faculty Award, multiple Best Paper awards, and the
