**November 14th 2013: Thriving Through Recovery from Life
Threatening Illness**

You've finally reached the top in your career and you have a life changing event that means you have to start all over. You're back at square one. You have to learn to speak, to walk, and to do all the normal things of daily living. What do you do? Erica Tucci was at the peak of her career in a Fortune 500 company when she had a stroke that left her completely paralyzed on the right side. As she began to recover she realized more clearly what is truly important in life and she began a new mission—to use her story as an inspiration for others facing life challenges. She wrote the book Radiant S

Featured Guest

Erica Tucci

Erica Tucci started out to be a dancer but switched majors and received her BBA in Management Information Systems from the University of Houston. She has authored two books, started a healing arts business, and was a manager in a Fortune 500 company. In the midst of this whirlwind of activity, she had a stroke that changed every aspect of her life. This story can be found in Erica's new and third book, Radiant Survivor: How to Shine and Thrive through Recovery from Stroke, Cancer, Abuse, Addiction and Other Life-Altering Experiences, launching on November 19th. Today Erica continues the work she was doing before her stroke, helping women find their "yin radiance" through their authentic vo
