November 25th 2013: What Holds You Back From Success?

Jennifer finds herself very frustrated lately. She is in debt and working a minimum wage, part-time job. Her partners in past relationships have not been positive, self-respecting, or goal-orientated people. She is not making definite movement in the direction of her passion in life: acting. Although she has been reading the most popular self-help books, giving herself affirmations, writing in a gratefulness journal, and focusing on her goals, something is still not working. What is holding Jennifer back from success? Tune in to Wealthy Thoughts on Monday, November 25, 2013 (12 p.m).
