December 04th 2013: The Primacy Of Being

Neil Kramer returns to the show to discuss his latest insights around being and knowledge. All too often we are fixated upon gaining as much knowledge as possible. Neil sees this approach as a good way to start the journey, but at some point it becomes a hindrance and a saturation with information that prevents us from seeing the real truth which requires us to just be. Positioning ourselves on knowledge doesn't ultimately work. Productivity and success is also seen to be a trap that we fall into as a result of expectations the western world has of us. We will discuss Divine Will and what that
