December 3rd 2013: What motivates you?

What gets you going? Are you motivated by having to pay bills? By fear? By judgment? What if there wasn't a "I have to do this because of that" in you universe? What if you could be motivated by what was fun and expansive for you? What if there was just choice? Join us for a new perspective on motivation, choice and creating your life from a very different space.
