December 04th 2013: The Genesis Code

If you think the story of Adam and Eve in the Garden of Eden is about sex and a fall from grace, then Glynda-Lee Hoffmann's new book *The Genesis Code: Your Key to Unlocking Hidden Genius* will indeed be a revelation! She states that the primary story of Genesis is really a coded key to the workings of the human brain! In her remarkable, groundbreaking book, Hoffmann has deciphered the hidden interpretation of Hebrew letters as expressed in the *The Qabalah*, an ancient teaching of coded interpretations embedded in the original text of Genesis and *The Song of Songs*. She focused on specific phra

Featured Guest

Glynda-Lee Hoffmann

Glynda-Lee Hoffmann began her path to the Qabalah when she heard a voice as a five-year-old say, "Things are not what they appear to be." At the age of eleven she had a full blown mystical experience, but being so young had no way of recognizing it until she was in her 40s. Her latest book, *The Genesis Code: Your Key to Unlocking Hidden Genius*, not only describes her early mystical events, but introduces the Qabalah as a path to expanded awareness. Aside from her studies of the Qabalah, writing two books - *The Secret Dowry of Eve* and *The Genesis*, Hoffmann is also Assistant Director of the Hoffmann Learning Research Institute in Chico, California. She recently gave a TED talk about the propr
