**December 26th 2013: The Kitchen Table Millionaire and
Lincoln Log Leadership**

Our first guest is Joni Rae Rogers-Kante who started her multimillion dollar cosmetics business from her kitchen table in her mobile home. Within seven months Joni had sold 1.7 million in products and by year two she had sold 3.8 million. Joni has a success story every entrepreneur needs to hear. Joni will share her insightful keys to success in direct sales. In this fast paced interview Joni will address how she overcame her major challenges and she gives key advice for entrepreneurs.. while balancing family, running a business, and being a single mother. Our second guest is Heather Marquard,

Featured Guests

Joni Rae Rogers-Kante

Joni Rae Rogers-Kante SeneGence International was founded by Joni Rae Rogers-Kante. As a newly single mother, she pondered her options and mustered the courage to act upon her burning desire to establish a company that offers an unparalleled opportunity. The opportunity for independent Distributors to build a business as large as they dreamed, to make as much money as they deserve by selling products that truly work through a global network opportunity, all from the comfort of their own homes and within their own communities. Joni wrote a business plan – and with that in hand set out to make the dream a reality. SeneGence has since become a recognized, international leader in the cosmetic

Heather Marquard

Heather Marquard graduated with a professional degree in architecture from the University of Detroit's School of Architecture. She has worked as an architect, specifications writer, and project manager for national firms headquartered in Detroit before starting her own sustainability consulting firm. She later relocated to California and works for a multigenerational family firm as an architect and sustainable consultant. She is an AIA member licensed in both Michigan and California and has worked on a variety of projects in her career, from the very small single-office tenant improvement to the very large corporate campus complex. Ms. Marquard was selected as USGBC LEED Faculty in 2003,
