The Business Elevation Show with Chris Cooper - Be More. Achieve More Friday at 8 AM Pacific

December 20th 2013: Special Encore Presentation: The Biology of Change with guest Asara Lovejoy

During this show we will be discussing the biology of change and an incredible process that can help us manifest our intentions. I was introduced to Asara Lovejoy's 'The One Command' by a trusted friend and mentor. Initially sceptical, I found the process to be hugely valuable. Asara is a businesswoman, entrepreneur and educator in human consciousness and the best selling author of 'The One Command'. She is considered to be one of the most compelling voices to emerge from the self-help and human potential arenas in decades. Her life commitment has been to understand the human mind and its un

Featured Guest

Asara Lovejoy

Asara Lovejoy is an author, speaker, and the founder and president of The One Command Executive Success Coaching Program. One of the most compelling voices to emerge in the self-help arena in decades, she says, "You are hard-wired for success right within your brain, biology, and DNA and in 6 easy steps and One Command we show you how to access that power." Asara has studied and practiced in many disciplines in the human potential field. She has long been an investigator of the theta brain wave and the quantum field. She has received intensive training in quantum field theory, NLP, hypnotherapy, psychodrama and energy healing. You can reach Asara at [-->](#)
