January 7th 2014: Special Encore Presentation: Sibling Stories: Reflections on Life with a Brother or Sister on the Autism Spectrum

This week on Autism Spectrum Radio we explore a very important relationship for many children, their siblings. Sibling relationships involving a brother or sister with an autism spectrum disorder can present enormous emotional challenges as well as special moments. Host Rob Haupt is excited to welcome back Dr. Mary Jane Weiss to the show to discuss her book on this special relationship. Dr. Weiss is a prolific author and speaker in the field of ABA. Be sure to catch this episode of Autism Spectrum Radio, Tuesday, November 19 at 11 AM
