January 14th 2014: Realtor Safety

It's well-known that working in the field of real estate comes with some inherent risks. There are few jobs that put you in extensive contact with people you don't know, working alone in isolated situations, locations you may be unfamiliar with and often during off hours. Crimes against real estate professionals like robbery, rape and murder are some of the most reported and highly publicized. Join us as we discuss Realtor safety steps with our personal safety expert, Nicole Sundine of Realistic Safety Solutions, and also talk about some innovative technologies that realtors can use to increa

Nicole Sundine

Nicole Sundine is the founder of Realistic Safety Solutions, a company that teaches realistic strategies to protect people from threats to both emotional and physical safety. Nicole has been an advocate for the rights of crime victims for twenty-five years. During her career in law enforcement, she led the Victim Assistance Unit where she worked with thousands of crime victims, learning about the dynamics that led to their victimization. As a detective, the focus of Nicole's case assignment was special victims crimes, including assault, domestic violence and stalking. Nicole has a degree in Psychology and has spent years analyzing true crime cases to determine ways to prevent victimiz
