**January 15th 2014:Special Encore Presentation of The
Strategic Value of CEO Peer Advisory Groups**

Networking with successful executives is a key tool in the success of any business, particularly when the going gets tough. Use it effectively and you can generate your own recovery. But to accomplish that, you need to understand exactly what you wish to achieve in your business and how your network can help. David Torrance, President and CEO of Renaissance Executive Forums (REF) will show you how area business owners, CEOs and other top executives find strength and direction through a working group of trusted, local advisors, all of whom have expertise and success drawn from the real world. T

David Torrance

David Torrance brings a number of years of experience in running large organizations (\$1B) and smaller businesses (\$50M) with proven results, in various industries, global geographies, and economic conditions. David has taken businesses that were negative in cash flow during severe economic conditions and turned them into profitable sustainable companies through organic growth and acquisitions. David is a former senior executive with EnPro Industries and Georgia Pacific. He has an impressive background in the plastics/polymer, agricultural products, and chemical industries. David has enterprise excellence over his operating career in industries in U.S, Asia, South and Central America, UK, an
