Waking Up in America
Wednesday at 2 PM Pacific
January 15th 2014: Intelligent Living

Join Doctor Val, Randi and Luis as we offer tips for making your life workable in a sea of choices. We are bombarded on a daily basis with choices and options and so much of what we are being offered is a trick of some sort to profit taking. There are many instances of this in each given day. In this case, ignorance is not bliss. We are dialoguing on vital issues and invite you to write us and let us know how what we are doing involves you. Write me at Val@WakingUpInAmerica.com and we will share your comments. We thank our sponsors: * Presenting sponsor - Kyani * Bragg Health Products
